YOUNG MAN! YOUNG WOMAN!

Are you going to realize your "Success
Dream" this year?

Business is the most remunerative
and attractive field for the young man
or woman of intelligence. The fortunes

and are made possible by business.
That is why this vacation attracts the
brainiest, aggressive and successful
individuals.

come an active factor in this great body
of commercial workers?

Business demands young blood, a
strong mind and personality, together
with a thorough training. If you have
these qualifications, you will be sought
out, as are scores of our graduates, and
success will be inevitable. Secure that
business education in the institution
which makes this work a specialty and
which is conducted by specialists. The
school which has brought Position, ad-
vancement, and Success to hundreds of

Ford is given change of Venue

The case of the Territory vs.
Geo. W. Ford, charged with larceny
of cattle was called in Judge
Howell's court yesterday after-
noon, the defendant being re-
presented by Attorney Jennings
of Willard, while Attorney Ayers
appeared for the territory. The
defense asked for a change of
venue, which after having been
argued, was granted by the court
the case going to Torreon, to be
heard today.

Popular Novel Built Up Town.

Blackmore's "Lorna Doone" was re-
sponsible for the popularity of Lynton
and Lynmouth. Hotels sprang up as
if by magic, and it is estimated that
Blackmore's work increased the value
of real estate in the section mentioned
at least 100 per cent.

World's Domestic Animals.

The total number of useful domestic
animals on the globe is believed to be
about 1,500,000,000.

Harsh Condemnation.

Nothing is more contemptible than
a bald man who pretends to have
hair.—Martial.

Habit of Loon.

As a diver the loon excels and natu-
rally, for it is his sole means of
livelihood. Not only is he marvelously
quick, but he can remain under
water for a seemingly endless time.
In swimming under water he uses
both wings and feet and can go for
several hundred yards in the feature.
The loon, like many other water fowls,
sleeps on the water with its head
tucked under his wing.—St. Nicholas.

Teacher Should Rank High.
